Dear Jim,

I wish to thank you for attending and speaking at our recent meeting on 'Culture is for Everyone' in the Peacock theatre. I was very pleased with the discussion, and the attendance by a large number of groups and individuals working in various areas of cultural activity showed there is a desire to chart a more supportive policy towards facilities and funding in this area.

I look forward to maintaining contact with yourself and the Workers' City group in future. If I can be of assistance through raising cultural issues at European Parliament level or any other means, do not hesitate to contact me.

Sincerely,

Pa de Rossa
